

The 34th International Symposium on Chemical Engineering

December 1-3, 2023, The K Hotel, Gyeongju, Korea

Outstanding Oral Presentation Award

To

**Takanori Matsumoto, Takeshi Ishikawa, Hayato Takase,
Masahiro Yoshida, Takayuki Takei**

Department of Chemical Engineering, Kagoshima University, Japan

For their paper entitled

**Effect of hydrophobic groups incorporated into
gelatin hydrogel as drug carriers on release
behavior of hydrophobic medicines**

Korea Institute of Chemical Engineers
