

# The 35th International Symposium on Chemical Engineering

November 29-December 2, 2024

Okinawa Prefectural Municipal Autonomy Hall, Japan

## Oral Presentation Award

Presented to

Kagoshima University

Kotaro Handa

---

C13

Formation of solid/gas interface in electrochemical CO<sub>2</sub>  
reduction cell for high ethylene selectivity

---

*Kazumi Suzukawa*

.....  
Received by Prof. Kazumi Suzukawa  
Chairman of ISChE2024  
Chair of Kyushu Branch,  
Society of Chemical Engineers Japan
